## Decal Installation & Location Instructions

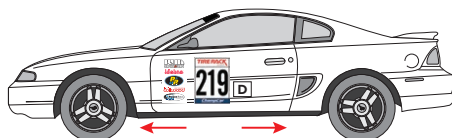

The following examples are approved installation locations for the required decal package.

Contact [media@champcar.org](mailto:media@champcar.org) with decal location questions.

**Decals MUST be installed before the car is teched for the 2020 season. You will not pass tech until the decals are installed.**

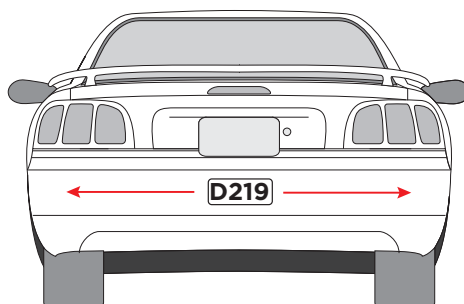

Convertibles and topless cars only. May face forward or toward drivers right like on the roof.

Place decals between arrows

Windshield banner is required at the top of the window. The background is optional. Per the BCCR, do not use white, orange, or yellow backgrounds. Cars without front windshields must have the decal at the top of the hood. The letters can be arranged to the curvature of the window.

Sponsor panel placed to the front of the number panel. Decals may be cut out from the white background, but must maintain the same vertical order and maintain a 1-inch space between the decals.

Additional event specific decals may be required at certain events. Instruction on placement of those decals will be available at the event and in the ChampCar Event Supplements.

Replacements available at Tech & Registration on race weekends. Limited quantities available.

To order decals, visit RVA Graphics & Wraps <https://www.rvagfxstore.com>

Only official ChampCar Decals will be allowed through tech. Do not print your own.

Official decal locations and order are required and are not a suggestion.

You will not be allowed to enter the track until decals are in the required locations.
