

Harris Hill 8+7-Hour Enduro

Harris Hill Raceway
San Marcos, Texas USA
March 14-15, 2020

Harris Hill Raceway (H2R) is located in the hills of northeastern San Marcos, Texas. The track is a 1.82-mile, 11-turn asphalt road course. The course is 36-feet wide with over 150 feet of elevation changes and a challenging mix of on and off-camber turns.

EVENT SUPPLEMENTALS

Download and read the ChampCar Endurance Series BCCR:

<https://champcar.org/rules>

Reading the rules is required by all CCES drivers, crew and car builders.

ChampCar.Live! : Watch the race from start to finish with live commentary. Visit ChampCar.Live.

Test & Tune Information: From 12-noon to 6:00pm Harris Hill Raceway will administer a Test/Practice Session. The event fee is \$200. Arrangements and management of the Test/Practice session is through the track.

Also, please make sure you bring your car through Tech and Registration during the day.

Paddock: Harris Hill Raceway (H2R) has a very tight paddock area, therefore H2R and ChampCar have implemented trailer size restrictions. Please take the time to look at the trailer restrictions for H2R located at the end of the supplemental rules. If your trailer is longer than 28' you will need to reserve one of eight spots available. We highly encourage you to bring smaller trailers if possible. You must check in with an H2R employee before you park your trailer. If you show up to H2R with a trailer larger than 28' and have not reserved a spot you will have to drop your trailer and bring in your equipment to the pit and paddock area with another vehicle.

Paddock Electric: None.

Pitlane Electric: None

Lighting: There is no lighting in the paddock, please plan to bring whatever lighting you need.

Pit Passes: Teams are advised that all team members, family, and guests who desire Pit Lane access MUST purchase a Weekend Membership Pass through ChampCar at the track. ChampCar members can obtain a free pit pass by showing their membership card.

Guest Pass: Guests may purchase a weekend membership to ChampCar at the gate and watch the race for \$20.

Pets: Pets are allowed, but please remember it is a small facility so it is important to keep all pets on a leash.

Children: No children under-18 allowed on pit road.

Camping: Teams may camp in their rigs overnight, please note the specific requirements for rigs over 28-feet.

Camping / Camper Hookups: None

Barbecues: BBQ's are allowed in the camping area only, provided all BBQ's are supervised at all times, a fire extinguisher is within 15' of the open flame, and all open flames are (at a minimum) 20' from all race cars, fuel storage or other flammable sources.

Restroom / Showers: Restroom is in the Club House. There are no showers.

Gate: There will be overnight access in and out of the track overnight.

Concessions: Breakfast, Lunch & Dinner available Saturday and Sunday.

Fuel on site: None.

Weather: We're racing, regardless of the weather.

ChampCar Live Timing:

App or web based timing and scoring -

<http://www.racehero.io>

<http://www.race-monitor.com>

Drones: Unmanned aircraft systems and drones are prohibited at ChampCar Endurance events at all times.

Sound Limits: In order to help Harris Hill Raceway (H2R) be good neighbors we must follow their sound regulations very carefully. ChampCar's rule of 92dB @ 50 feet WOT might be pushing the limits. H2R's limit is 85dB at the property line (which the track comes close to at some points) and we have agreed that 92dB trackside will be acceptable. If you think your car will be pushing the sound limits, please plan accordingly! H2R will be checking dB levels on Friday during tech and the practice day so there will be time to make modifications if necessary. Please contact chelsey.vickery@ChampCar.org with any questions.

The Supplemental Rules May Be Updated Without Notice.

Teams Are Advised To Check Them With Regularity And Print A Copy For Reference Prior To Coming To The Event.

Decal Installation & Location Instructions

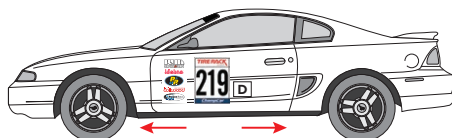

The following examples are approved installation locations for the required decal package.

Contact media@champcar.org with decal location questions.

Decals MUST be installed before the car is teched for the 2020 season. You will not pass tech until the decals are installed.

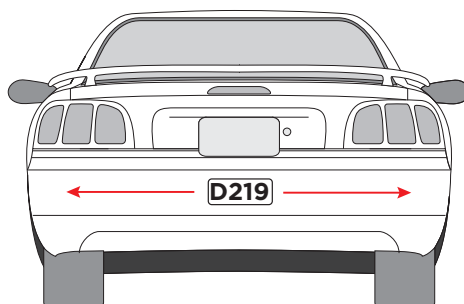

Convertibles and topless cars only. May face forward or toward drivers right like on the roof.

Place decals between arrows

Place decals between arrows

Windshield banner is required at the top of the window. The background is optional. Per the BCCR, do not use white, orange, or yellow backgrounds. Cars without front windshields must have the decal at the top of the hood. The letters can be arranged to the curvature of the window.

Sponsor panel placed to the front of the number panel. Decals may be cut out from the white background, but must maintain the same vertical order and maintain a 1-inch space between the decals.

Additional event specific decals may be required at certain events. Instruction on placement of those decals will be available at the event and in the ChampCar Event Supplementals.

Replacements available at Tech & Registration on race weekends. Limited quantities available.

To order decals, visit RVA Graphics & Wraps <https://www.rvagfxstore.com>

Only official ChampCar Decals will be allowed through tech. Do not print your own.

Official decal locations and order are required and are not a suggestion.

You will not be allowed to enter the track until decals are in the required locations.

Required Decal List

- 2x Door Number Panels
- 1x Roof Number Panel
- 2x Sponsor Panels
- 2x Class Letter Door Decals
- 1x Rear Number Decal
