## ***CCES Pandemic***

### ***Event Guidelines***

#### **Event Guidelines**

- The following policies are subject to change based on local government guidelines in relation to COVID-19.
- All published local guidelines will be on hand for easy reference.
- ChampCar asks that anyone who is at higher risk for severe illness, feeling unwell, or who has been in contact with anyone that is sick in the last two weeks would stay home.
- If you are healthy, but uncomfortable being around other people for fear of illness, it may be better if you skip the event. ChampCar will happily move your fee to another event later in the year.
- Event is closed to spectators and visitors. All crew and drivers must be full ChampCar Members. All members of your team MUST be listed in registration 48-hours before Move-in Friday.
- While ChampCar is not limiting the number of team members per car in attendance, each track may have restrictions that we must follow. Please read the supplemental rules for each event to see if such restrictions exist.
- ChampCar recommends all participants follow current CDC guidelines on social distancing and personal protective gear. Signs will be placed around the venue to remind people of social distancing and protective health protocols. Teams are responsible for determining which types of protective gear (mask, gloves, etc.) they choose to use and for bringing sufficient supplies for themselves.
- ChampCar will work with the track to have frequently touched surfaces such as tables, counters, doorknobs, light switches, etc. cleaned with disinfectant at regular intervals.
- ChampCar will ensure there are plenty of hand washing stations and/or hand sanitizers in and around the facility, particularly high traffic areas.
- Only essential workers are allowed in specialty work areas such as timing & scoring and race control.

#### **Tech Guidelines**

- Only one team member (preferably the captain) may bring the car to tech.
- Bring your completely filled out tech form with you.
- Required decals will be available and set out on a table so you can pick up your own.
- We ask that you maintain six feet of distance from our tech inspectors.
- ChampCar will place less cars into the tech bay than normal to help maintain greater distances between people.

#### **Gear Tech Procedures**

- Arrive at gear tech fully suited up in your driver gear, carrying your helmet.
- ChampCar will hand you a gear check decal for you to apply on your own helmet. Apply the decal on the lower left chin area of the helmet. Any other area may delay you leaving pit out during the race.

#### **Registration**

- Only the captain is permitted to be at registration.
- If possible, complete all payments before arriving to registration.
- Registration line will be marked to maintain social distancing.
- Bring the team's completed COVID-19 waivers with you (no waiver = no driver band).
- Bring completed tech sheet and/or log book with you.
- Hard surfaces will be disinfected throughout the day.

#### **Drivers Meeting**

- Driver meetings will be held outside and comply with social distance protocols. The meetings will also be simultaneously broadcast both by FM transmitter as well as on the ChampCar YouTube Live channel. If a track does not allow public meetings of any kind, ChampCar will hold driver meetings exclusively on ChampCar YouTube channel.
- Questions will be fielded as usual from in person participants as well as by emailing the event director before the event.

#### **Pit Road**

- Some events may limit the number of people on pit road. Read the supplemental event rules for info. Even with no restrictions, ChampCar advises teams to not load up their pit boxes with extra people.
- Drivers will still be checked for arm bands at pit out. Please have your band ready to display to our pit out worker.
- Drivers will still need to report to Black Flag at pit in for on-track driving infractions. A ChampCar staff member will write out the infraction and place it on your windshield for you to read.
- All fueling rules remain in place.

#### **Award Ceremony**

- Award ceremony will be held outside, and social distancing protocols will be followed.
