Event Info

Technical Information

Race Car Tech Inspection: All teams will be required to do the On-line Tech Form.

The Team Captain will find a button link on your main login page. Three months before the race, the tab "Submit a Tech Form" will take you to an electronic form that looks just like the paper Tech Inspection form. Simply fill in all the boxes at the top, then fill in or click on the listed point value items on your car. Save the form and you are done. At the track the Tech staff will simply check the required safety items on the car. Once the Tech staff clicks save on the safety portion of your online form you will get your annual tech sticker and head to ChampCar registration.

Racing Gear Self Inspection: Gear inspection, use, and maintenance is each member's personal responsibility. Members are required to annually inspect all personal safety gear and confirm it meets ChampCar minimum requirements. By accepting a member's annual gear check, neither ChampCar, nor its directors, officers, sponsors, staff, and/or officials, ensure, certify, or warrant that the gear fully complies with all ChampCar rules, or will prevent bodily injury, death, or other harm (including, monetary damages). ChampCar expressly disclaims all consequential damages, regardless the cause. Drivers will not be allowed on track without the proper gear per the BCCR. Spot checks on pit lane may be conducted along with pit out. ChampCar Officials will be available at tech inspection to assist members with gear inspection.

Flagtronics FT200 Wireless Flagging Display:

This information is subject to change.

Required starting June 1, 2022 per the BCCR. Limited quantities of units may be available to rent.

Fire Bottle: Teams using the ESS brand on-board fire suppression system must remove the bottle from the car and take it to the Tech Inspection area to have them weighed and inspected. This must be done at all events entered.

Lights: Lights for this event are not required, but should be available in case of inclement weather racing.

Sound: Sound readings will take place throughout the weekend. All ChampCars are required to have mufflers, and not exceed 96dBa at 50ft. Sound measuring is driver's left.

Venue Specific Information

Hallett #1 Rule:
"If you think something might not be allowed, you are probably right."

Quiet Hours: Respect others and honor the noise curfew. Loud activities or running racing engines are NOT permitted anywhere on HMRC property between the hours of 10PM and 7AM.

Test Day - Hallett Sactioned

CHAMP Test & Tune practice day Friday, May 13, 2022 - \$300/team

Early entry parking access on Thursday 5-10pm

Gates open Friday 7am, driver meeting 8:30am, on track 9am

Finish Line Cafe open for breakfast & lunch

Limited covered raceports/RV hookups --

call Karen @ 918-356-4814 to reserve

No refunds on this event.

<https://www.hallettracing.net/event/champcar-test-tune-day/>

Paddock Speed Limit: 10mph

Waste Oil: Waste oil and other petroleum-based liquid must ONLY be placed in disposal collection containers at the track fuel station.

Paddock Electric: The electric service jacks/boxes located throughout the paddock area are for the temporary and casual use of the customer (e.g. personal computer, small fan). They are NOT for heavy power uses such as electric service to trucks, vans, trailers, motor homes, etc. without purchase. Pay for your HMRC electric service at the Tower's first floor within 5 minutes of plugging in or run a generator, which requires a muffler and functionality within reasonable levels of sound.

Pitlane Electric: None.

Lighting: There are no electrical hookups in the pit or paddock. Therefore, teams are advised to consider alternate power and lighting sources. The use of EZ-ups on the "cold" side of the pit wall are also recommended for keeping out weather and hanging all lighting fixtures.

Waiver and Wristbands: Only the team captain needs to check in at registration to receive driver and crew credentials. More information will be available as we get closer to the event.

Event Supplementals

Event Info

Venue Specific Information

Hallett premises are subject to video surveillance.

Guest & Pit Passes: Weekend memberships are available at registration.

Pets: While not an absolute prohibition, it is requested that pets not be brought to the circuit. If pet owners must bring their pets, all pets must be on a leash and attended by a responsible keeper at all times unless they are left properly secured in a vehicle.

Children: No children under-18 allowed on pit road. The playground in Martin Park is only for children supervised by adults, not for pets. Supervise all minors.

Camping / RV Hookups: Camping information and rules - <http://www.hallettracing.net/track-information/camping/>
If you would like to rent a covered raceport or RV spot call or email Karen. See below for contact info.
