## Event Info

### Technical Information

**Race Car Tech Inspection:** All teams will be required to do the On-line Tech Form. The Team Captain will find a button link on your main login page. Three months before the race, the tab "Submit a Tech Form" will take you to an electronic form that looks just like the paper Tech Inspection form. Simply fill in all the boxes at the top, then fill in or click on the listed point value items on your car. Save the form and you are done. At the track the Tech staff will simply check the required safety items on the car. Once the Tech staff clicks save on the safety portion of your online form you will get your annual tech sticker and head to ChampCar registration.

**Flagtronics FT200 Wireless Flagging Display:**  
**This information is subject to change.**

Required starting June 1, 2022 per the BCCR. Limited quantities of units may be available to rent.

**Fire Bottle:** Teams using the ESS brand on-board fire suppression system must remove the bottle from the car and take it to the Tech Inspection area to have them weighed and inspected. This must be done at all events entered.

**Lights:** Lights for this event are not required, but should be available in case of inclement weather racing.

**Sound:** Sound readings will take place throughout the weekend. See map. All ChampCars are required to have mufflers, and not exceed 96dBa at 50ft. Sound measuring is drivers left.

### Venue Specific Information
